9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

CalFresh (CF) applicant is a forty-one (41) year old enrolled in a community college program more than half time. She is not working and there are no children in the household. Lake County does not have an FSET program. Applicant does not meet any of the student eligibility requirements set forth in 63-406.2. Applicant appears to be ineligible to CF due to her student status. However, applicant provided proof she is an active participant in a two-year Workforce Investment Act (WIA) program through the Workforce Lake (WFL) and Mendocino Private Industry Council (MPIC). Per discussion with WFL/MPIC in Clearlake, WIA is a Title I program.

Does her participation in a WIA program make her eligible to a student exemption? Does WIA meet the student exemptions in 63-406.2? Or is the applicant ineligible to CF benefits due to her student status?

10. REQUESTOR'S PROPOSED ANSWER:

If the WIA program qualifies as a one of the student exemption programs in 63-406.2, then the applicant is eligible to a student exemption and is therefore eligible to CF benefits.

If WIA does not meet the student exemption programs in 63-406.2, then the applicant is not eligible to CF due to her student status.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

The Job Training Partnership Act was replaced by the Workforce Investment Act (WIA). Therefore, the WIA qualifies as one of the eligible student exemption programs specified in MPP 63-406.216.
